SUBJECT: Monthly Report of High-Profile Contracting Initiatives

DATE: September 13, 2024

---

Attached is a copy of the High-Profile Contracting Initiatives report for September 2024.

Contracting initiatives are identified as "high profile" if they meet at least one of the following conditions:

- Estimated value over \$1 Million;
- High level of community interest or other exceptional interest; or
- Highly complex or technical in nature, or contract terms & conditions that are non-standard or complex.

As of November 2022, High Profile items valued over \$5 Million are presented as pre- and post- solicitation briefings to the Audit Committee. High profile items valued less than \$5 Million will be forwarded directly to full City Council consideration, unless the item has a high level of community interest, is highly complex or nonroutine in nature. If an item is less than \$5 Million and meets one of these additional criteria, then it will continue to be presented to the Audit Committee as a pre- and post- solicitation briefings before release of the solicitation and prior to Council action for contract award. High profile items that meet the criteria below will be presented at B Session as pre- and post- solicitation briefings to include quarterly briefings for Aviation items.

- Significant financial impacts (value over \$25 million);
- Significant contract terms (over 10 years);
- Significant policy/public safety implications;
- Significant community/stakeholder impact or interest;
- and/or professional judgement.

This report only includes discretionary contracts. No low-bid type contracts are listed in this report. All items listed will be brought forward to City Council for approval.

Please note that the restrictions on communications are in effect from the time the solicitation has been released until the item appears on an official "A" Session agenda for consideration. Also, campaign contributions are prohibited beginning on the 10th business day after a contract solicitation has been released through the 30<sup>th</sup> calendar day following the approval by City Council ("blackout" period).

If you have any questions regarding this report, please contact me at 207-8652.
